

# Education Success Story

## New Jersey Direct Install

## Lebanon Borough School

6 Maple Street, Lebanon, NJ 08833

CMC Energy Services - New Jersey Direct Install (NJDI) provided this customer with new energy efficient lighting in important areas like the gymnasium, the library and classrooms creating a brighter, safer environment for students and staff. We also installed and a new boiler replacing a 30 years old one with a 93% efficient system, providing a more comfortable, controlled environment throughout the campus. By participating in the New Jersey Clean Energy Program the school paid only a fraction of the cost approximately 30% of the total. The project will pay for itself in 18 months with an estimated annual energy savings of nearly \$16,000.

### Upgrades Made To Facility

#### Energy Efficient Lighting Retrofits:

- Interior LED Lighting
- Interior and Exterior Fixture Replacements
- Interior Lighting Controls

#### Energy Efficient Heating and Cooling Upgrades:

- Two High-Efficiency In-Series Boilers

#### HVAC Controls:

- Low-Flow Aerators
