New Jersey Direct Install

Veterans of Foreign Wars Post 2290

600 Washington Ave., Manville, NJ 08835

CMC Energy Services - New Jersey Direct Install (NJDI) created a more comfortable environment for the VFW by replacing the organizations aging HVAC systems. The new systems not only created a better, more comfortable environment but the organization will save an estimated annual energy of \$23,000.

By participating in the New Jersey Clean Energy Program the VFW paid less than 30% of the total costs; approximately \$28,000 which will pay for itself in approximately 18 months.
